Subject: Invitation to GESA AGW 2019
Sunday, 8 September 2019 to Tuesday, 10 September 2019, Adelaide, South Australia, Australia

On behalf of the Gastroenterological Society of Australia – Australian Gastroenterology Week 2019 Scientific Program Committee, it is my great pleasure to invite you to attend GESA AGW 2019 which will be held from Sunday, 8 September 2019 to Tuesday, 10 September 2019 at the Adelaide Convention Centre, Adelaide, South Australia, Australia.

The Australian Gastroenterology Week (AGW) is the only forum in Australia where scientists and clinicians engaged in gastroenterology and hepatology can meet, learn and share ideas. International world leaders in endoscopy, hepatology and inflammatory bowel disease, will also enrich the meeting.

Over 3 days the program has been designed to encourage interaction between various interest groups in concurrent scientific and educational sessions (including State-of-the-Art lectures, Translational Symposia, free papers and poster presentations).

Please note that this letter is for VISA and leave application purposes only and cannot be regarded as a commitment in relation to funding your attendance at the conference.

For more information, please visit our website at <http://agw2019.org.au>

Thank you and we look forward to welcoming you to Adelaide and GESA AGW 2019.

With Kind regards,

Professor Jane Andrews
Chair, AGW 2019 Scientific Program Committee
